

Company Profile

Delivering the World, Connecting Possibilities.

Brandmax Global Logistics Ltd is a Nairobi-based freight and logistics company operating from Saku Industrial Park. We help businesses move cargo between Kenya, East Africa and the world - by air, sea and road - with customs clearance, warehousing and supply chain services under one roof.

What we do

International Freight Forwarding - air freight, sea freight (FCL & LCL), project and out-of-gauge cargo, and consolidation services.

Land Transport - road freight, container haulage, specialised transport and last-mile distribution across East Africa.

Customs & Compliance - clearance, documentation and permits, tariff classification and transit or bonded cargo.

Warehousing & Storage - general and bonded warehousing, inventory management, fulfilment and value-added services.

Supply Chain Services - 3PL, cargo insurance, packing and crating, and logistics consulting.

Our values

Integrity. Reliability. Innovation. Excellence. These four values govern every quotation, every shipment and every handover.
